Sydney P. Noe Esq
Hon. Secretary
American Numismatic Society
New York City

Dear Sir

The subject of this letter Mr James Hunt Deacon F.R.N.S. etc. of the Numismatic Section, Art Gallery, Adelaide South Australia, late Hon. Secretary and present Hon. Treasurer of the Numismatic Society of South Australia has been and is in close personal touch with me by a regular and frequent correspondence both official and unofficial over a period of approximately two years.

As an Interstate member of the Australian Numismatic Society Mr Deacon has been a regular contributor of papers read before that body and these papers form a valued addition to the Society's numismatic research.

Having been honoured with the friendship of this gentleman, it has also been my privilege to read

The Australian Numismatic Society

many other numismatic works of which he is the author.
I have therefore much pleasure in attesting to the excellence of Mr Deacon's scientific work in the numismatic field.
I regard it as highly probable that this gentleman will shortly attain a well-deserved renown in the front rank of Australian numismatic science.

Yours very sincerely
C. J. V. Weaver
